GUIDELINES

The Office of Attorney General Derek Schmidt is accepting applications for the State Fiscal Year (SFY) 2022 State Child Exchange and Visitation Centers Fund (CEVC) grant program. Through the Grant Program, the Victims Services Division seeks to ensure that Kansas crime victims: 1) are aware of their rights, 2) have their rights protected, 3) are aware of the services available to them, and 4) have access to quality services. Please ensure that the application you submit describes fully how the proposed project will provide quality services to victims in the service area specified in the project proposal.

The following information defines eligibility and accountability criteria, and sets forth requirements for the application and administration of grants awarded from the State Child Exchange and Visitation Centers Fund, as authorized by K.S.A. § 74-7334(e) and K.S.A. 75-720.

Please read the following document thoroughly before completing and submitting the grant application. If you have questions regarding this document or the grant program, contact Tracey Goering, Grant Monitor, at (785) 368-7469 or tracey.goering@ag.ks.gov.

APPLICATION DEADLINE

Each grant proposal must be submitted by May 3, 2021 to the Office of the Attorney General through the OAG Grant Management System located on the OAG website at <https://ag.ks.gov/victim-services/grants>.

PURPOSE AND CRITICAL ELEMENTS

The State Child Exchange & Visitation Centers (CEVC) grant fund is available to increase, enhance, expand, or initiate grant projects that provide services & assistance to children and families in need of supervised exchange or visitation.

It is the intention of this grant program to provide as wide a range of coverage to the citizens of the state as possible. Assistance may encompass a wide range of support services. Specific services to be provided and the specific target group should reflect local needs and priorities. Activities may include on-site supervision, exchange monitoring, therapeutic supervision, recording observations of visits, referrals to other services and educational parenting classes.

No maximum or minimum dollar amount has been established for individual grant awards. However, our agency has been notified by the Governor's Division of the Budget that grant funds comprised of State General Fund dollars could be reduced in SFY 2022. Other grant funds could also be impacted by a reduction in their funding streams as well. If your agency received a grant in the previous state fiscal year and is requesting funds for continuation of the same grant project, it is strongly suggested to limit your requested grant amount to the same or a lesser amount than you received last year. NOTE: there is no guarantee that your full request will be awarded. To view the total amount and awards received last year, please visit the Victim Services Grant Program website at <https://ag.ks.gov/victim-services/grants>

FUNDING PERIOD: JULY 1, 2021 TO JUNE 30, 2022

GRANT PROJECT PERIOD

Each project funded under this grant shall be for a period of 12 months from July 1, 2021 to June 30, 2022.

REPORTING REQUIREMENTS

All reporting requirements are described in the document posted on the Victim Services website: <http://ag.ks.gov/victim-services/grants>. Please read these requirements and be familiar with the reporting requirements of this grant prior to submitting the grant application.

RECORD RETENTION

Programmatic and financial records (copies of grant applications, assurances, reports, correspondence, expense receipts, etc.) must be maintained by your organization for a period of five years past the close of the grant project period. Once applications and reports have been submitted, they can be accessed through the submissions in the grant management system and printed.

UNEXPENDED GRANT FUNDS

The final Financial Status Report (FSR) will be due within 30 days of the end of the Grant Project Period. Expenses submitted after that point will not be reimbursed. Any funds not expended by 6/30/2022 must be returned to the Office of the Attorney General by close of business on 7/31/2022. When the due date falls on a weekend or holiday, funds are due the next business day. It is the responsibility of the organization awarded the grant funds to track expenses and payments from the Office of the Attorney General and to return unused funds by this date.

No future payments will be made until unexpended funds are returned to the Office of the Attorney General. Failure to return unused funds may also impact the ability to receive future awards. (See Grant Review Committee – Review of applications note).

Additionally, all required reports must be received before new grant funds will be disbursed.

ELIGIBLE APPLICANTS

Available funds may be awarded to units of state or local government, public or private not-for-profit organizations for defined grant project activities. Private, not-for-profit organizations, duly registered with the Office of the Secretary of State, may receive funds under this act as subgrantees or subcontractors to a local entity of government or may receive funds as a direct applicant.

In order for a not-for-profit organization to qualify for funding, it must:

- Meet the requirements of section 501(c) of the Internal Revenue Code of 1986.
- Be registered and in good standing as a not-for-profit corporation.
- Meet normally accepted standards for not-for-profit organizations.

LIMITATIONS OF FUND USE

- Construction or land acquisitions, including mortgage payments, are **not** allowable costs.
- The use of grant funds is **prohibited** for grant projects that offer a low probability of improving services to children and families as determined by fiscal and project audits and grant reviews.
- Because of limited funding, items such as magazine subscriptions, membership dues, etc., will **not** be allowed.
- The use of grant funds to pay for gift cards or fuel vouchers is **not** allowed.
- For purposes of this application and grant program, equipment is defined as assets with a useful life of one year or more and a cost of \$500 or more.
- Grant project funds **cannot be used** to attend conferences, training or meetings that occur **outside the state of Kansas**.
- Indirect costs are **not** allowed.
- Food may **not** be purchased with the use of grant funds, **except** for food purchased with PFA, CVAF and HTVAF grant funds for consumption by clients living in a domestic violence / sexual assault / human trafficking shelter.
- CEVC grant funds may be used to pay for a portion of the cost of the organization's financial audit. The contract amount with the audit firm is an allowable cost and will be funded by the CEVC grant according to the following formula:
- **(Cost of audit) x (Percentage of the CEVC grant / Total Agency Budget – Attachment 2)**
- Grant funds may not be used to reimburse mileage expenses in excess of \$.55 per mile or the applicant's approved policy rate, whichever is lower. If the applicant chooses to reimburse at a rate in excess of this amount, per their organization's policy, the applicant should be aware that no grant funds administered by the Kansas Attorney General's Office may be used to make up the difference.

GRANT REVIEW COMMITTEE

A committee, appointed by the Attorney General, may assist the Attorney General in determining grant awards. The Attorney General or his designee will chair the grant review committee.

REVIEW OF APPLICATIONS

The grant review committee will evaluate and score each of the applications based on the following criteria:

- The degree to which the proposal focuses on the problems and needs of children and families;
- The quality of the needs assessment and documentation in terms of proposed services for children and families;
- The record of successful implementation of services to children and families;
- Documentation and understanding of a problem as it relates to children and families in the applicant's community;
- Demonstration of clear, measurable, and appropriate proposed grant project objectives, consistent with the evaluation criteria outlined in the grant application instructions;
- The efficacy of evaluative components, both programmatic and fiscal;
- The degree of community support and collaboration for the grant project;
- Receipt of other state and local funding;
- Relevant budget information; and
- Number of persons served by the agency and the project.

Such indicators as number of staff assigned, the type of services provided, number of children and families served and the number of personnel and others trained may be used to evaluate the efficiency and impact of the grant project.

NOTE: If the applicant is applying for another year of funding, the committee will also consider the applicant's ability to find additional funding for the grant project, meet the goal(s) and objectives of the grant, submit reporting requirements in a timely manner, or any additional information the committee feels is necessary, including, but not limited to: financial stability; quality of management systems; history of performance, including timeliness of compliance with applicable reporting requirements, conformance to the terms and conditions of previous awards, and if applicable, the extent to which any previously awarded amounts will be expended prior to future awards and reports and findings from audits.

AWARD INFORMATION

The application you submit must clearly define the goal(s), objectives, and tasks that will be achieved in SFY 2022. A grant assurance will state the amount awarded and will explain any special conditions affecting how the funds are to be utilized during the grant year.

A formula will not be used for calculating grant awards.

FUNDING PERIOD: JULY 1, 2021 TO JUNE 30, 2022
SFY 2022 STATE CHILD EXCHANGE AND VISITATION CENTERS FUND

It is our goal that these funds are used to effectively serve victims, so there is a heightened focus on accountability. In keeping with that focus, the Victim Services Division may offer workshops on financial management, business practices and procedures, grant writing, and victim-centered service delivery. The Victim Services staff will continue to conduct site visits to ensure that quality services are provided for victims across the state. They will also conduct technical assistance visits to address the specific needs of your grant program.

Please refrain from calling concerning the status of the application. Applicants will receive notification of the award in writing.

CONDITIONS OF GRANT AWARD

All grantees must comply with the Guidelines developed by the Office of the Kansas Attorney General.

- The Grant Assurance and Budget Spreadsheets must be approved by the Executive Director, President of the Board, and Treasurer of the Board.
- Grant Assurances with the required signatures, revised project budgets and revised goals and objectives (if applicable) based on the final grant award, and all other items specified in the special conditions must be submitted to the Office of the Attorney General through the Grant Management System no later than 4 weeks (28 days) after the date of notification of the award. When the due date falls on a weekend or holiday, the assurances are due the next business day.
- **The payment structure of this grant has changed. Grantees will only be paid after receipt of the required quarterly reports.**
- Per the terms of the award, funds may be withheld if grantees do not submit the signed assurances, revised budgets and revised goals and objectives (if applicable), and other items specified in the special conditions by the due date.
- Funding is always contingent upon the receipt of adequate funds and appropriations to the Office of the Attorney General by the Kansas Legislature. In the unlikely event that state funds are insufficient, grant awards may be reduced from the approved amount.

APPLICATION INSTRUCTIONS

In an effort to streamline the grant application process, the grant application is divided into two sections—the Agency Information Section and the Grant Specific Section. The Agency Information Section is information about the organization and will be completed once and filed prior to receiving the second section (Grant Specific Information). The second section contains the narrative and information specific to each grant and will be sent to agencies when the first section is complete.

For each grant type selected, you will be prompted for an amount and a title. By checking these grant types, you are indicating which grant applications you will need. For the CEVC, make sure to select CEVC and complete the amount and name of the grant project.

After you successfully submit the first portion of the grant, the CEVC portion of the grant will be sent to the email address of the applicant.

- Prepare one Agency Budget, with your next fiscal year budget, including balanced revenue and expenses that has been approved by the Board of Directors. The approved Agency Budget must be signed by the required Board members, Fiscal Officer and the Executive Director.

**OFFICE OF ATTORNEY GENERAL DEREK SCHMIDT
VICTIM SERVICES DIVISION
FUNDING PERIOD: JULY 1, 2021 TO JUNE 30, 2022
SFY 2022 STATE CHILD EXCHANGE AND VISITATION CENTERS FUND**

- If the applicant is a governmental entity, the agency budget will be for the grant program only, not for the entire governmental entity.

Agency Budget - Revenue

- The revenue category should list all sources of financial support (i.e. foundations, government agencies, fund-raising events, individual contributions, etc.).
- For each revenue source, state the amount, the awarding agency and its status (received, requested, committed, or projected).
- If the revenue is requested or projected, state the date the agency expects to be notified of the funding decision or the date the agency anticipates collecting the revenue.
- Include the appropriate pro-rated portion of this grant application request as budgeted revenue with a “requested” status.
- The column labels offered in the Agency Budget template are examples of funding sources common to many of our agencies.
- Columns may be re-labeled to display your organization’s specific funding sources separately:
 - Grants from the Office of Attorney General
 - Grants from the Kansas Governor’s Grants Program (KGGP)
 - Other federal grants
- Applicants may remove any unused “revenue source” columns in the Agency Budget Spreadsheet. This will decrease the width of the spreadsheet and allow the form to be printed in an easily read font.
- Please do not combine too many sources of revenue. This spreadsheet is intended to serve as a management tool for your organization, in addition to providing information for the grant review committee. If too many revenue resources are combined into one column, the benefit of showing the funding sources separately decreases.

Agency Budget - Expenses

- Applicants may add extra rows and rename the Position Title in the Agency Budget “Personnel” category as appropriate for your agency.
- Applicants may delete unused rows in the Agency Budget “Personnel” category as appropriate for your agency. Many “Position Titles” are listed on the Agency Budget template. If you do not employ certain types of positions within your organization, you may delete the personnel lines not applicable to your organization.

Tips for the Agency Budget Spreadsheet

- All line item expenses requested in the Grant Project Budget Narrative must be addressed in the Agency Budget.
- All amounts should be rounded to the nearest whole dollar.
- List all personnel positions separately and state the name of the current employee with their respective salary.
- If the position is vacant, please specify as “Vacant”.
- If a name change occurred, please note the former name in parentheses.
- Use only the official “Position Title” for each employee. The “Position Title” and the “Employee’s Name” in that position must be consistent throughout the entire grant application and all attachments.

OFFICE OF ATTORNEY GENERAL DEREK SCHMIDT

FUNDING PERIOD: JULY 1, 2021 TO JUNE 30, 2022
SFY 2022 STATE CHILD EXCHANGE AND VISITATION CENTERS FUND

- Indicate whether it is a new position (N) or an existing position (E) to the organization.
- Refer to the section “Limitations on Grant Funding” for further instructions regarding allowable and non-allowable use of grant funds.
- Do not delete any “Categories” or line items in the Grant Project Budget Narrative or Agency Budget spreadsheets. This allows the grant review committee to review and compare all applicants’ revenues and expenses.
- The approved Grant Project Budget Narrative and Agency Budget must be signed by the Executive Director (or Authorized Agency Representative), Board President, and Board Treasurer (or Fiscal Officer).
- The Excel Budget spreadsheets are posted on the our website, <https://ag.ks.gov/victim-services/grants>

Attachment: LIABILITY & CASUALTY INSURANCE COVER SHEET

- Submit a current copy of the COVER SHEET ONLY of the organization's liability and casualty insurance policies. Do not include the entire policy, even if a coversheet is not available; if this is the case, include an explanation of the coverage, not the entire policy. If coverage is provided by another organization or government, provide a letter from that entity affirming this.

Attachment: LIST OF CURRENT BOARD MEMBERS

- Complete the Board and Advisory Board Excel spreadsheet, adding or deleting rows as necessary.
- Please include the position of each member at their work place. This will allow the Grant Review Committee to understand the various types of experience and expertise contributed by the Board members.
- To ensure appropriate checks and balances for grant funds, appropriate separation of Board and staff roles and responsibilities, with no potential conflict of interest, is essential. For example, no board member may be an employee of the organization, or derive benefit, from board decisions, financially or otherwise.
- The Office of the Attorney General recommends that not-for-profit agencies have a sufficient number of members to ensure proper oversight. In addition, we also recommend that members are representative of the demographic profile of the area the organization serves.

Attachment: SEXUAL HARASSMENT POLICY (SHP)

- From the website or the link in the application, download and print the provided Sexual Harassment Policy form.
- Sign, date, and record your name and the agency name on the document.
- Attach the form to the application.
- **IMPORTANT: The State of Kansas will NOT process any grant payments until this signed document has been completed, signed, received and submitted to them. All fields must be completed.**

The budget must also include the percentage of time devoted to the CEVC Grant Project (CEVC grant funded hours / Total annual hours worked in the organization).
 - For salaried grant-funded staff, calculate the “per hour wage rate equivalency” and include the total number of hours the grant funded staff person will work at the organization for the entire grant year, regardless of funding source, in order to provide the annual salary amount. The budget must also include the project percentage of total hours for each position funded by the CEVC grant (CEVC grant funded hours / Total annual hours worked in the organization).
 - If the grant funded position is not for the entire 12 month grant period, specify the months of the project and report the number of hours budgeted for the grant project. Prorate the salaries and fringe benefits to reflect the same time frame used in the goal(s) and objectives.
 - Use only the official “Position Title” for each employee. The “Position Title” and the “Employee’s Name” in that position must be consistent throughout the entire grant application and all attachments. Names of employees must be listed as well. If the position is vacant, please specify as “Vacant”. If a name change occurred, please note the former name in parentheses.
- For fringe benefits, show the specific applicable rates.
- All requests must include reductions for event-provided meals, if applicable, and should be clearly reflected in the computation.
- If a line item in the Project Budget Narrative template is not applicable to your organization, delete the **description** offered in the template. Removing the description will allow the cell size to decrease, and the size of the Budget Narrative will be reduced.
