## State Crime Victims' Assistance Fund for Child Abuse and Neglect (CA)

No maximum or minimum dollar amount has been established for individual grant awards. However, our agency has been notified by the Governor's Division of the Budget that grant funds comprised of State General Fund dollars could be reduced in SFY 2022. Other grant funds could also be impacted by a reduction in their funding streams as well. If your agency received a grant in the previous state fiscal year and is requesting funds for continuation of the same grant project, it is strongly suggested to limit your requested grant amount to the same or a lesser amount than you received last year. NOTE: there is no guarantee that your full request will be awarded. To view the total amount and awards received last year, please visit the Victim Services Grant Program website at <https://ag.ks.gov/victim-services/grants>

(<https://ag.ks.gov/victim-services/grants>)

Grants made to programs will be based on the numbers of persons served by the program and will be made only to programs aimed at preventing child abuse and neglect or providing residential services or facilities to victims of child abuse or neglect.
