State Child Exchange and Visitation Centers Fund (CEVC)

No maximum or minimum dollar amount has been established for individual grant awards. However, our agency has been notified by the Governor's Division of the Budget that grant funds comprised of State General Fund dollars could be reduced in SFY 2022. Other grant funds could also be impacted by a reduction in their funding streams as well. If your agency received a grant in the previous state fiscal year and is requesting funds for continuation of the same grant project, it is strongly suggested to limit your requested grant amount to the same or a lesser amount than you received last year. To view the total amount and awards received last year, please visit the Victim Services Grant Program website at <https://ag.ks.gov/victim-services/grants> (<https://ag.ks.gov/victim-services/grants>)

Proposed Grant Project Goals and Objectives

When planning the 2022 CEVC project, please ensure that the goals and objectives describe fully how the proposed project will provide quality services to victims in the service area specified in the project proposal. Please address the following questions: What will you do for victims during the 2022 grant year?; How will the 2022 CEVC project do this? How will this project incorporate these important values stated above into the goals and objectives for this grant?

New Projects or Agencies: Please provide goals that are consistent with the needs statement.

Objectives: Must be SMART. **Specific, Measurable, Attainable, Relevant, and Time Limited.** The objectives will be used on quarterly reports to measure progress of the project.

Do not make goals and objectives that are complex, difficult to measure, or impossible to meet. With goals, look at the purpose of both the project and the funding and describe what you want to accomplish. Who do you want to serve? How do you want to serve them (services, shelter, safety, victim-centered, confidentiality, etc.)?

Objectives should be measurable--how many, how much, how often.

Sample Goal: Provide a clean, safe environment for monitored child exchange services. Facilitate these exchanges to protect them from retaliation and intimidation.

Sample Objective: Provide an average of 25 supervised exchanges per month (approximately 300/grant year).

Data provided to the OAG, person(s) responsible, tasks, and timeframe: In this space, describe what information you will provide to the OAG quarterly, who is responsible to accomplish the goals/objectives, how you will measure your accomplishments and identify any project milestones. How will the OAG know that your project is a success?
