### 2020 Update to Guidelines for Evaluating Proposed Governmental Actions to Identify Potential Takings of Private Property

The Private Property Protection Act, K.S.A. 77-701 *et seq.*, requires the Attorney General to compile and annually update guidelines to be used by state agencies in determining whether proposed governmental actions may constitute a taking of private property. These guidelines are to be based on cases decided by the United States Supreme Court and the Kansas Supreme Court.<sup>1</sup> Governmental action is defined as legislation, regulations or directives, or agency guidelines and procedures for the issuing of licenses or permits.<sup>2</sup> The Act expressly excludes other types of governmental action, such as the formal exercise of eminent domain.<sup>3</sup>

Under the criteria of the Act, there are no cases to include in the 2020 update to the Attorney General's Guidelines.<sup>4</sup>
